Dear Mr. Beasley:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

Richard N. Rogers

Dear Mr. Kiger:

I am writing in response to an incident that occurred on July 9, 1990 involving one of your unit leaders in Troop 146. The incident occurred at Camp Kootaga in Walker, W. VA.

As part of our camp program we ask all leaders in camp to attend a session on youth protection. Following our session an Assistant Scoutmaster from Troop 146, Mr. Charles Beasley, spoke to me about a serious matter. I will try to explain the incidents that transpired.

During the session I spoke on the subject of the adult registration process. In summary, we centered our discussion around question six of the Adult Registration form #28-501C. We briefly discussed the National file set up to formulate a record of those whose membership had been suspended with the Boy Scouts of America.

Following our session Mr. Beasley approached me concerning his involvement in a trial in 1974 centering around child molestation. Mr. Beasley was the accused. (The results of the trial is beyond my knowledge.)

I also feel it is necessary to point out another incident involving Mr. Beasley. On the morning of July 9, 1990 @ 7:30 A. M., two members of the Camp Kootaga Staff proceeded to the youth showering facilities for the daily sanitizing. When entering the facility the staff members witnessed Mr. Beasley in the sitting position on the floor in the nude, while [redacted] was showering.

In my discussion with Mr. Beasley he was deeply concerned with [redacted] appearance. To quote Mr. Beasley, "Do you think [redacted] has the signs of an abused child?" Mr. Beasley's question was a direct result of our session on youth protection and the topic of "the signs of an abused child".

I was later approached by Mr. Dallas Trembley (Scoutmaster 146) and Allan Hoffman (Assistant Scoutmaster 146). Mr. Trembley and Mr. Hoffman were deeply disturbed and upset concerning the incidents that transpired on July 9, 1990. Mr. Trembley stated his opinion that Mr. Beasley should be removed from the Scouting movement. Mr. Hoffman was present during my talk with Mr. Beasley.

In closing, I would like to express my personal concern as a Scout Professional and Camp Director. I feel Mr. Beasley has placed himself in a questionable situation and has mislead his Troop committee concerning his personal background. I also feel Mr. Beasley falsified information on the Adult Application Form #28-501C question 6a and 6e. However, the decision is entirely up to the York Area Council. I would also like to point out that my opinion is not necessarily the opinion of the Kootaga Area Council or any member thereof.

If you have any further questions or comments feel free to contact me at [REDACTED] or call the Scout Service Center at [REDACTED]

Yours in Scouting,

J. Scott Cleland
Camp Director
